

**CFCC/Boat Tree Cruise
Club "Pontoon Cruise"**

When you first arrive on dock, we will meet you with three arm bands. The first arm band is for your group for the entire weekend, so we can distinguish your group from everyone else. This allows your group to receive drink specials throughout the weekend. The other two are for Saturday evening: One color will just be for the buffet, the other color will be for the buffet, unlimited drafts (Bud Light and Miller Light) and unlimited frozen drinks (Margaritas, Pina Coladas, Strawberry Daiquiris, and Rum Runners). As discussed earlier, the buffet only is \$13 per person, kids are \$7, and the buffet with the unlimited drink package is \$25 per person. The buffet and unlimited drink specials go from 6 pm to 8:30 pm on Saturday.
